Dear Parents,

Date: 10-08-2019

A field trip or excursion is a journey by a group of people to a place away from their normal environment. When done for students, it is also known as school trip.

Keeping this in mind the School has planned a free visit to **Kiran Nadar Museum of Art, Noida** for classes Nur to II on **13-Aug-2019**, Tuesday during the school hours.

Buses will ply as usual in morning as well as afternoon. Students should come in school uniform with their lunch box and water bottles and ID card is compulsory for all the students.

Warm Regards,

Vice Principal
