Dear Parent,

Date: - 11-01-2019

India is committed to eliminate measles and control Rubella by 2020 as per the WHO South East Asia Regional Goal set by all 11 countries in the Region.

As part of this, Government of India is implementing one dose Measles Rubella Vaccination campaign across all states in the country.

You are hereby informed that vaccination campaign is scheduled to be conducted in school premises for all the students on 14<sup>th</sup> Jan 2019, during the school hours. Make sure that your ward have proper breakfast in the morning.

Kindly inform the concerned class teacher if student has already been vaccinated for the same. Attendance of all the students is compulsory on the above mentioned date.
