

# FLORENCE INTERNATIONAL SCHOOL®

Dear Parents,

Date: - 05/02/2020

In continuation of our efforts while getting children prepare for the upcoming tests/exams, we've started revision work at school and would need your assistance in helping your child perform revision work at home as well. Starting today, you'll get to know about what your child has revised in school and what needs to be revised at home. After going through the daily status details, kindly acknowledge the same by signing in the diary.
