DID YOU KNOW

- 23rd April was chosen because it is linked to famous writers like William Shakespeare and Miguel de Cervantes.
- The day was organized by UNESCO in 1995 to encourage reading habits across the world.
- The day highlights how books help us learn about different cultures, ideas, and people around the world.

This celebration aims to nurture imagination, creativity, and a lifelong reading habit in our students.

We look forward to your cooperation and support.
